Floater's Checklist

—**Protective Clothing**: wear pants or shorts and a pair of old tennis shoes, water shoes or river sandals to protect your feet. Flip flops are not adequate.

—**Do not float with items like wallets, keys, loose-fitting jewelry and other valuables**. Secure eye or sunglasses with some sort of retention cord.

—Use the tubing put-in and exit points marked on the float map.

—**Life jackets are recommended for all children** and **non-swimmers** and are provided as part of tube rental fee.

—No glass or styrofoam containers at or on the river. PLEASE do not litter the trails or our beautiful river.

—Find a friend or gather a group to go along for the fun!
